THE SUSTAINABLE LIVING SERIES

The Sustainable Living Series is a collaboration of Mecklenburg Family and Consumer Sciences and Mecklenburg Extension Master Gardeners who share their knowledge and experience with education to incorporate sustainable practices into their lifestyle. From gardening to canning, the Sustainable Living Series connects families with nature, nutrition and sustainability in a practical and fun way!

2. **IN-PERSON** Participants can register for Sustainable Living classes at any Park and Recreation facility. You will need a photo id and the class code.
3. **PHONE** Participants can contact the Mecklenburg Cooperative Extension office to register via phone with a credit card.

Please note:

- Registration deadlines occur 2 days prior to the class date.
- Please note that some classes require a prerequisite. Prerequisites allow presenters to allot more time on class specific class content.

For assistance with registration or questions, please contact the Cooperative Extension Office at 704.336.2082. Go ahead and get started.
